

Take ghosts
with you

self-portrait

5/21

Bring ghosts
with you

You
hit it
it coughs
for two
throw all the poison
accumulating in you.

how to survive
a keyboard?
my cold
anger,
acceptance
To
a question
End
a mass grave
my last kiss to the happy
crowd
I am angry

sub

I am angry.
I am
string
of
collected
Every
ghost and
Every
memory:
collected
